people database

Øyvind Kolås

author of hnb

pippin@users.sourceforge.net

Some other people

(I actually have a lot of people in my database,.. but this is just a sample,.. and thus I don't want to put it online)

lecture outlines

week 1

topic

b

c

d

e

week 2

slide 1

yep thats right

I've actually got my own litte personal slide exporting feature

slide 2

caveat

it's a dirty little hack that I don't want to share yet,.. but it helps me a lot in my work.

slide 3

slide 4

slide 5

slide 6

week 3

ideas

I've got a grand list of evil plans,..

or perhaps it's just movie scripts,..

not sure
